SYLLABUS

This is the most important document in any class. It is the agreed upon *rules and regulations* (contract) that will govern the course. Please read carefully.

HOW TO SUCCEED

MY GOALS

1. *Motivate* and *excite* you about finance.
2. Make sure you leave with a general understanding of finance.
3. Help you achieve *personal* and *professional* goals (extending beyond this class).
4. Make sure you *learn* (not memorize) the material.
5. Play a role in getting you a job.

YOUR GOALS...

1. To *learn (understand)* finance
2. Become financially literate
3. Be prepared for upper-level finance courses
4. Decide your level of interest in a finance major
5. Get a good grade (pass)

WHAT IS SUCCESS?

- How much you learn? Your grade? Switch to finance? Job?
- Success is...

WHAT IS SUCCESS?

- How much you learn? Your grade? Switch to finance? Job?
- Success is... *meeting our goals.*

KEYS TO SUCCESS

- See Syllabus "Tips to Perform Well"
- In general...
 - Come to class *on time* and *prepared*.
 - Participate. If you do not understand *stop me and ask*.
 - Do not wait until the last minute!
 - Make your own notes. Writing helps with retention.
 - Use *resources* available to you
 - Most importantly...
